***ANNUAL
ADMINISTRATIVE
REPORT***

2018

CHIEF INSPECTOR OF FACTORIES; ASSAM

**NPS INTERNATIONAL SCHOOL LANE
BETKUCHI,LOKHRA,GUWAHATI-40**

**ANNUAL ADMINISTRATIVE REPORT ON THE WORKING OF THE
INSPECTORATE OF FACTORIES FOR THE YEAR,2018.**

1. **General Administration** :-In the year 2018 there was no Amendment of the Factories Act.1948. Sri Samiran Das has been continuing as Chief Inspector of Factories of Assam.

There are four Zonal Factory Offices each at Guwahati, Dibrugarh, Bongaigaon & Jorhat headed by Senior Inspector of Factories and assisted by Inspector of Factories.

There are seven(7) District Factory Offices each at Guwahati, Nagaon, Sibsagar, Tinsukia, Tezpur, Kokrajhar & Silchar headed by Inspector of Factories.

The posting of the Officers and opening of District Factory Offices depends upon the concentration of registered factories in the District/Areas.

An organizational Chart showing the detailed set-up of Inspectorate of Factories, Assam is annexed at Annexure –I.

The following Acts & Rules are administered by this Inspectorate.

- (i) The Factories Act.1948.
- (ii) The Assam Factories Rules 1950.
- (iii) The Payment of Wages Act.1936.
- (iv) The Cotton Ginning & Pressing Factories Act.1936.
- (v) The Assam Factories (Welfare Officers)Rules 1950.
- (vi) The Assam Factories (Safety Officers)Rules.1980.
- (vii) The physically Handicapped Person (Employed in Factories)Act.1986.
- (viii) The Assam Control of Industrial Major Accident Hazards Rules 1990.
- (ix) The Assam Physically Handicapped person (Employed in Factories)Rules.1992.
- (x) Manufacture, Storage, Import & Handling of Hazardous Chemicals Rules1989.
- (xi) The Chemical Accidents emergency Planning preparedness and response Rules 1996.
- (xii) The Child Labour Prohibition & Regulation Act.1986.
- (xiii) The Child Labour Prohibition & Regulation Rules.1992.

2. **Factories:-** At the end of the year 2017 the total number of factories in the State has been increased to **6935** Nos. as against the previous years figure of **6729** nos. A total number of 285 new Factories were registered in the year and **79** Nos.of Factories were

crossed off/removed from the list of the registered factories. (*N.B. 10 Nos. of factories that were left out last year has been included this year ,so that Total Nos. of Factories increased to 6945*)

Out of **6945** nos. of factories **5518** are defined as Factories under section 2(m)(i), **1189** under section 2(m)(ii) and **238** nos. were declared factories under section 85 of the Act. Out of **6945** factories **104** nos. are Govt. owned and rest **6841** are under private sector.

The District and Industry wise distribution of newly registered and Crossed off factories along with the category of factories to workers are Shown in the Table-I and 2-A & 2-B respectively.

3. Working Factories:- Out of **6945** registered factories including **2** educational Institutions the number of working factories is **5847** against the previous year figure of **5604** and rest **1098** is not in working condition. The percentage of the working factories is 84.32 .

A total no of **279** Annual Returns were received from the factories during the year. The Inspector of Factories and Statistical staff were directed to motivate to defaulter factories towards regular submission of returns. Frequent inspection and legal action may help to improve the positions.

4. Employment :-The average daily number of workers employed in **38239** (from which Annual Returns were received) is **5568** and the projected daily number of workers employed in **241007** nos. of factories (which failed to submit the returns) is **5568**. Thus the total average daily nos. of workers in **5847** factories is **279246** as against the last year figure **269276**.

The employment position as per Industrial Classification and district wise employment of workers in factories is shown in Table-III & IV.

5. Accidents:- The total number of Industrial Accidents reported by the factories during the year is **47** including **12** fatal accidents. Reduction in the frequency of accidents has always been a matter of great importance to this Inspectorate. To reduce the frequency of accidents steps have been taken which include frequent inspections, technical suggestion etc. The nature of Industry wise and cause wise distribution of accidents are shown in Table-VI & VII. The number of accidents for the last 3 years along with severity rate and frequency rate for 2018 are shown in Table-VIII.

6. Safety in Factories:- This Inspectorate emphasized on organising” National Safety Day” and Safety weeks in the factories. Also insisted for imparting Safety training of the workers as well as to the management. A seminar on OSH was organised by FICCI in Guwahati in association with the this Inspectorate during the year.

. Moreover necessary guidance and advices were given by the Inspectors, on adoption of safety precaution such as guarding of machinery safe working condition, careful handling of materials, use of personal protective device etc. The Hazardous and major accident hazards factories of the state were asked to formulate their safety policies and to submit the policies.

With an aim for augmented activities in the field of accident prevention a forum consisting of management and workers representative is of prime

necessity and a safety committee can be the appropriate forum. The factories Act. provides for setting up the safety committee. This Inspectorate plays a vital role in setting up safety committee in various factories of the state. Most of the factories particularly the hazardous factories have constituted safety committee in the factory.

In addition to the above, mock drills at periodical intervals were carried out in the major accident hazards factories. The major accident hazards factories in the state have submitted the **ON SITE** emergency plans. The management of these factories are also being asked to prepare and submit the **OFF SITE** emergency plans, disclosure of information regarding hazardous chemical and hazards involved in the process, as required under the provisions of the Act. (Sec.41-B) The number of Safety Officers appointed in the hazardous factories as well as the factories employing more than 1000 workers are as shown in Table IX.

7. Health & Welfare : The working environment has got direct impact on the health of the persons who are working in the factories. The environment may be responsible for the cause of occupational diseases or other non-occupational diseases. The environmental factors such as presence of contaminants in the air, physical factor like humidity, noise, lighting etc, are examined by the Inspector and preventive measures are suggested.

The chapter V of the factories Act. 1948 deals with the provisions of Welfare of the workers employed in the factories and accordingly the following provisions are extended to factories in the state.

- (a) Washing facilities. First aid appliances etc.
- (b) Canteen facilities (where more than 250 worker are employed)
- (c) Shelter, rest rooms and lunch room (Where more than 150 workers are employed.)
- (d) Ambulance room (if more than 500 workers are employed)
- (e) Creache facilities (If more than 30 women workers are employed)
- (f) Welfare officers (If more than 500 workers are employed)

The welfare amenities like canteen, rest rooms, creaches,etc. are provided in most of the factories as a statutory requirement. These amenities are also provided by some managements in their establishment/ factories though they are not statutory bounded to do so. The average daily number of workers utilizing these facilities are highly satisfactory. The Welfare facilities provided in different factories as shown in Table X.

8. Safety Cell: The cell is headed by a Additional Chief Inspector of factories under the supervision of this cell, the major hazardous factories were classified and mock drills were carried out in the major hazards units. It also assessed the preventive and protective measures taken by the management of the hazardous unit and suggested additional measures to improve the work environment from the safety point of view. This cell also guides the Inspector in implementation of the Assam Control of Industrial major Accident Hazards Rules.

9. Statistical Cell: The statistical cell under control of the Chief Inspector of Factories was established in **1963**. The cell is headed by Statistical Officer and Assisted by two statistical assistance and two computers. In the year 2018 the Strength of cell was one Statistical Officer two statistical assistance (one is vacant) and two Computers.

The cell is responsible for collection of data in respect of Safety, Health, Welfare and employment in factories, covered under Factories Act & Rules framed there under & Payment of Wages Act, etc. Data's are compiled and consolidated statements are to be prepared within the stipulated time as per direction of the Director of Labour Bureau, Chandigarh. Moreover this cell is responsible for preparation of various statistical statements and proformas to feed many Govt. Depts.and other Non-Govt. Agencies, including individual scholars

10. Inspection: The Inspecting Officer of the Deptt. Carried out total **672** inspection during the year 2018. Out of which **15** Inspections is made to chemical Factories. In addition **245** un- registered factories/ premises are inspected with a view to bring them under the purview of the factories Act.1948. Table No.XI show the detail in inspection.

11. Prosecution: During the year 2018, **15 Nos.** cases were launched against **14 Nos.** factories under different sections of the Factories Act 1948 for contravention of 14 provisions detected during the course of inspection by the field officer of the Department.

12. Approval of Plans : The Total no. of plans submitted for approval to the Chief Inspector of Factories during the year was **321** out of which **285** were for Construction of new factories and **36** for extension, alteration, modification, of existing factories. Details are shown in Table No.XII.

13. Site Appraisal Committee : Site appraisal committee under the chairmanship of Chief Inspector of Factories, Assam have cleared eight (**5**) sites for establishment of new factories during the period ending 2017.

1. Assam Air Products (P) Ltd. Near Oils Makum OCS. Tengapani. Makum Dist-Tinsukia. Pin-786170.
2. Indian Oil Corporation. North Guwahti.LPG Bottling Plant. P.O.College Nagar. Abhoypur. North Guwahati-781031.
3. IOCL Bongaigaon Refinery. P.O.Dhaligaon. Dist-Churang-783385.
4. Shrinivas (Gujrat) Laboratories (P) Ltd. Ekoratoli. Binoigutia Gaon. A.T.Road. P.O.Lahoal. Dibrigarh. 786010.
5. M/s Impect Pulp & Paper Mill. 2 No. Dolabari. Tezpur.

14. Registration, Licencing & Collection of Fees etc. : The Inspectorate collects a good amount revenue by way of registration and licensing under the factories Act. 1948 and renewing the licenses of the existing factories.

The break up Figure of revenue earned by the Deptt. Were shown in Table No.XIII.

15. Industrial Hygiene Cell:-The Industrial Hygiene Laboratory had been revived and new equipments were procured for functioning of the laboratory. The laboratory staffs was entrusted with the job of testing sound level, environmental monitoring and toxic gas detection. More modern equipments are required to make the laboratory fully operative.

16. Survey on silicosis :- An extensive health & safety survey on all the silicosis prone factories of the Sate was carried out by the experts from DGFASLI in cooperation with the Factory Inspectorate Assam.

No case of Silicosis was detected.

17. **Conclusion:-** Enforcement of the provisions of the Factories Act & Rules has an obvious effect in ensuring a safe ,healthy and better working environment for the workers and also the management of the factories. A skilled and efficient implementing authority can help create an awareness of safety among the working groups and thereby reduce no. of accident. This also has a catalytic effect in the human resource, increased productivity, reduce loss of time and overall development of the country.

The Inspectorate of Factories is dedicative in achieving its aim and sincerely endeavour's towards its fulfillment. But in its strives it is still facing a lot of problems, which somehow or other acts as deterrent to some extent: Such as

1. Frequent or increased No. of inspection of factories could not be conducted due to meager T.A. fund, non availability of Govt. vehicles for field officers, as most of the factories are situated in arears not accessible by public transport.
2. The capacity building skill development training program are to be imparted to all the employees.

Appropriate and timely action by appropriate authorities in these respect shall definitely boost up workings of the inspectorate to a higher level of achievement.

(Samiran Das)
Chief Inspector of Factories. Assam.
Guwahat-40
